****Please order from Susan Rubin no later than April 20th to ensure delivery. I will have a limited number of books after that date for those that register later.**

Paper

Bristol Vellum paper 9"x12" pad or larger. Strathmore brand is my favorite, but just be sure it says vellum not smooth on any brand you like.

Tracing paper

9"x12" pad

Drawing pencils

HB, any brand

Pencil Sharpener

Please note: You will be using this a lot! Look for sharpener with auto stop ability.

My favorite brands: Afmat, Repesco

Erasers

One gray kneaded (for graphite pencils)

One white plastic (pen-style is helpful- I like Tombo Mono Erasers)

Colored Pencils

Your Colored Pencil Layering book lists 54 Faber Castell Polychromos colored pencils, plus a few other brands. If you are going for all of them, you will need to buy the full set of 120 Faber Castell Polychromos or purchase the pencils individually. You can sometimes find deals on the set and individual pencils. If ordering online, allow enough time to ensure delivery for the May 5th class start.

See attached sheet for specific pencils.
