

Oil Painting Material List

Classical Still life

Support:

Two gessoed Masonite panels or Gessobord (Ampersand or similar), size 11x14 or 12x16

Please give Masonite four coats of acrylic gesso, Gessobord requires two extra coats of acrylic gesso. Sand lightly. I prefer Golden brand gesso. *see below

Prime your panels with a mixture of white, raw umber and liquin to a value of 8 on the Munsell scale. Let dry completely.

Do not bring canvas.

Oil Paint: This palette provides a balance of opaque and transparent pigments necessary for this class. I use Gamblin and Natural Pigments, except where noted.
