

## FLIPPING, FOLDING AND STITCHING – BOOK ARTS EXTRAVAGANZA

### MATERIALS LIST

A \$30 materials fee should be paid directly to Mita Saldana at the first class meeting. This fee will cover the following items that Mita will supply:

- Linen thread, other heavy weight threads, floss, thin twine, etc.
- Card stock of different weights
- Chip board or book board on the thinner side
- Decorative papers
- Bookcloth
- And a wide range of tools that you will have access to during the class.

If you have any materials you would like to experiment with you are welcome to do so. Part of this class is discovering what your materials will do for you.

I do not expect you to come with a complete tool kit if you haven't had much experience making books. I have student tools for use if you don't have your own yet, or for forgotten or missing items. Part of your instruction will be going over the tools in the class. There is no rush. The tools and materials in **bold** are the ones you must bring to class. I also have many of the appropriate tools, extra materials, and the best PVA for sale. (Help support a small business!)
